BOOKING DETAILS

We recommend the maximum booking period of two weeks is immediately prior to your event. Bookings are from Tuesday to Monday. Should the booking no longer be required, you must notify Council of the cancellation to allow other community groups to book poles.

Drop-off:

- ✓ By Friday the week before your booking to the location nominated on the form.
- ✓ Attach contact details to each banner.

Pick-up:

- ✓ Council will remove banners at the end of your booking and let you know when they are ready for collection.
- ✓ Collect from the same location where your banner was dropped off.
- ✓ Collection within five days is required. Failure to collect banners may impact future booking requests.

SPECIFICATIONS

Banners must be made from quality material. You must ensure the size of your banner is appropriate to the location being booked. Refer to conditions Clause 6 below and pole dimensions on page 3.

- ✓ Banner width does not exceed the distance between each pole.
- ✓ Banner height allows sufficient line of sight and clearance for pedestrians.
- ✓ Banner has sufficient eyelets and ropes/tying points to secure it to the poles.
- ✓ Large banners require wind holes. A banner is like a sail in the wind and can generate huge pressure and tension on fixtures and fittings.

Kilcoy locations:

- ✓ Maximum banner size for these poles is 3m wide x 1.5m high.
- ✓ Banners need a hook attached to a good quality (5mm) nylon rope so they can connect to the chain provided.
